Student Laundry Service
Let us take a load off!

We know as a student you are very busy with studies, getting to class and networking a new social life. We are here to free up some of your time and keep you looking good. We will service you with free pick up and delivery weekly of your laundry and dry cleaning needs.

We supply the laundry bag, you fill it up and set in out in the predetermined location on the scheduled pick up and delivery day. We clean, hang and fold your laundry and deliver it back to you. Now how much easier can doing laundry get?

Laundry services are one bag per week for a prepaid semester fee of \$400.00. If more than one bag per week is needed there will be additional charges. The \$400.00 fee is a non-refundable, non-transferable fee for services.

Dry cleaning can be picked up and delivered but cost is not covered by laundry service fee. Additional charges will be applied for dry cleaning, households and leather/suede items.

Credit/Debt card on file is mandatory for any extra fees incurred by extra laundry, dry cleaning, etc. Robinson's Cleaners is not responsible for getting laundry to pick up location, this must be done by student on predetermined days by 8:00 AM. NO EXCEPTIONS. One address change allowed per semester. We reserve the right to refuse/stop service due to misconduct, vandalism, and or disorderly behavior.
